

HEALTH, SAFETY AND ENVIRONMENTAL POLICY

It is the policy of Bumi Wangsa Sdn Bhd (BWSB) to conduct its business in a manner that safeguards the safety and health of all employees and preserves the natural environment as far as practicable.

Every employee of BWSB is obligated to cooperate, work safely and act responsibly to preventing injury to him or herself and to others.

Our Health, Safety and Environment (HSE) objective shall bear equal importance to our fundamental business objectives.

In pursuance of this policy and in adherence to all applicable legislative requirements, BWSB shall endeavor to:-

- Pursue an objective of no harm to people or damage to plant, equipment and property.
- Protect and preserve the surrounding environment
- Formulate safe and healthy system of work
- Provide opportunity to employees, customers and contractors to actively participate in all HSE programs
- Promote safety & health awareness and provide necessary training to employees in ensuring that they can execute their duties in a safe manner
- Safeguard the interest of the general public and the surrounding community.

SYED ALWITAN SRI SYED ABBAS ALHABSHEE
EXECUTIVE DIRECTOR
